1994 ARTICLE INDEX

Articles published in PRODUCTS FINISHING, January through December, 1994, classified by subject . . .

	MONTH	PAGE
ANODIZING		
Consistent Anodizing with Manufacturing Flexibility	August	94
BAKING, CURING		
Infrared System Cures Powder Coatings Fast	January	79
Curing the New Breed of Coatings, by James R. Gulnick	July	45
BLACKENING		
Improved Corrosion Resistance and No Pollution	July	94
BUFFING		
Automatic Polishing Brightens Productivity	May	54
CHEMICAL COATINGS (ORGANIC)		
Teaming Up for a Quality Paint Finish	October	71
Powder Coating Line Spurs Growth for Plater, by Beverly Graves	December	56
CLEANING		
What About Plastic Spray Nozzles? by Pat Maney and Steve Havark	January	62
The Revolution in Industrial Cleaning Systems, by John B. Durkee, II	February	64
The Future of Vapor Degreasing, by John B. Durkee, II	April	96
Selecting an Alternative Cleaning System, by Randall J. Brent, Cheryl M. Heyl and John P. Tress	May	66
Evaluating Solvent Cleaning Alternatives, by Edward H. Tulinski	May	74
EPA's Proposed Degreasing NESHAPs, by Steve Risotto	May	85
How About Solvent Cleaning?, by John B. Durkee, II	June	58
Rugged, Compact Cleaning	June	136
Aqueous Cleaning: Is It for You?, by John B. Durkee, II	August	68
Semi-Aqueous Cleaning: Is It for You?, by John Durkee, II	October	62
Periodic Reverse Alkaline Descaling, by Lawrence J. Durney	October	84
What Will Happen to Cold Cleaning?, by John B. Durkee II	December	68
CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS		
EN Update, by Jerry Poll	January	68
AESF/EPA Week	January	82
Electrocoat '94 Conference	February	96

What Will Happen to Cold Cleaning?, by John B. Durkee II	December	68
CONVENTIONS, EXPOSITIONS, TECHNICAL SOCIETY MEETINGS		
EN Update, by Jerry Poll	January	68
AESF/EPA Week	January	82
Electrocoat '94 Conference	February	96

The Race for Quality ..... June 66
Sur/Fin '94 on Display ..... June 78
NAMF Takes Care of Business ..... June 130
Powder Coating '94 Expands to Meet Industry Needs ..... September 36
On Display at Powder Coating '94 ..... September 44
Liquid Compliance Coatings Week Conference ..... October 77

DEGREASING

Semi-Aqueous Cleaning: Is It for You?, by John Durkee, II ..... October 62

ELECTROCOATING

Milwaukee's Amazing Steeltech, by Joe Schrantz ..... August 46
Solvent-Free Electrocoating, by Scott Moffatt ..... August 62
Automotive Finish Quality for Military Vehicles ..... October 54
Snazzy New Finishing Line ..... November 54

ELECTROLESS PLATING

EN Update, by Jerry Poll ..... January 68
How Do You EN Plate Large Parts?, by Daniel A. Brockman ..... October 44

HIGH-SOLIDS COATINGS

Teaming Up for a Quality Paint Finish ..... October 71

MANAGEMENT

Large Plating Job Shops, by Beverly A. Graves ..... April 68
Product Finishers Win Environmental Awards ..... June 125
Quality Improvement at Consolidated Diesel ..... July 74
Milwaukee's Amazing Steeltech, by Joe Schrantz ..... August 46
Large Coating Job Shops, by Beverly A. Graves ..... December 78

MASKING

Masking for Painting, Plating and Powder Coating ..... September 84

MASS FINISHING

Plastic Media Comes of Age, by Mark Chiancola ..... September 92
Mass-Finishing Equipment ..... December 86

MISCELLANEOUS

Advanced Brushing Methods for Surface Finishing, By Robert J. Stango and James A. Henderson ..... February 80

PAINTING EQUIPMENT, FACILITIES

What To Consider When Implementing Process Control, by Jim Barnard ..... March 62
Spray-Painting Equipment Showcase ..... April 80
Autodeposition and Ion Exchange ..... April 58
First U.S. Blank-Coating Line Off and Running, by Joe Schrantz ..... September 66
Automotive Finish Quality for Military Vehicles ..... October 54
Teaming Up for a Quality Paint Finish ..... October 71
Conveyorized Finishing at Boeing, by Christopher Daniels ..... November 42
Power-and-Free Sorts It All Out for Grumman ..... November 48
Snazzy New Finishing Line ..... November 54
Powder Coating Line Spurs Growth for Plater, by Beverly Graves ..... December 56

PAINTING TECHNIQUES

Opinion, by G. Thomas Robison ..... January 66
Accent on Appearance ..... July 79

PAINT/POWDER COATING PRETREATMENT

Process Control for Phosphate Coating, by Joseph T. Menke ..... January 56
What About Plastic Spray Nozzles?, by Pat Maney and Steve Havark ..... January 62
Automotive Finish Quality for Military Vehicles ..... October 54
Conveyorized Finishing at Boeing, by Christopher Daniels ..... November 42

PAINT/POWDER STRIPPING

Maytag's Fixture-Stripping "Fix" ..... June 50

PLATING EQUIPMENT, INSTALLATIONS

Nickel-Free Plating System Scratches the Itch, by Beverly A. Graves ..... January 46
The Link to Increased Productivity ..... February 90
Heating and Cooling Showcase ..... March 74
Taking Control of Quality, by Beverly A. Graves ..... March 54
New Finish for an Old Part, by Beverly A. Graves ..... April 50
Truly a Job Shop Plater, by Beverly A. Graves ..... April 62
Large Plating Job Shops, by Beverly A. Graves ..... April 68
Meeting the Need for Zinc-Alloy Coatings, by Beverly A. Graves ..... May 78
Spray-Booth Showcase ..... May 90
Power Supplies for Plating/Anodizing Showcase ..... July 82
A Practical Guide to In-Tank Solution Filtration, by Steve Isham and Gene Horvath ..... September 76
California Plater Switches to Non-Cyanide Copper Plating ..... September 96
How Do You EN Plate Large Parts?, by Daniel A. Brockman ..... October 44
Monster Rack Line ..... November 62
Building a Better Plating Line ..... December 48

PLATING PROCESSES & TECHNIQUES

Nickel-Free Plating System Scratches the Itch, by Beverly A. Graves ..... January 46
The Link to Increased Productivity ..... February 90
Meeting the Need for Zinc-Alloy Coatings, by Beverly A. Graves ..... May 78
How Do You EN Plate Large Parts?, by Daniel A. Brockman ..... October 44
Powder Coating Line Spurs Growth for Plater, by Beverly Graves ..... December 56
Building a Better Plating Line ..... December 48

POLISHING

Advanced Brushing Methods for Surface Finishing, by Robert J. Stango and James A. Henderson ..... February 80
Automatic Polishing Brightens Productivity ..... May 54

POLLUTION CONTROL, AIR

Is Solvent Recovery Right for You?, by M. John Ruhl ..... May 60
Selecting an Alternative Cleaning System, by Randall J. Brent, Cheryl M. Heyl and John P. Tress ..... May 66
Evaluating Solvent Cleaning Alternatives, by Edward Tulinski ..... May 74
EPA's Proposed Degreasing NESHAPs, by Steve Risotto ..... May 85
How About Solvent Cleaning?, by John B. Durkee, II ..... June 58
Slicing the VOCs ..... December 74

POLLUTION CONTROL, WATER

New Systems Control Pollution and Improve Quality, by Don Fressie ..... August 40
Pollution Prevention in Decorative Chromium Electrocoating, by James Lamancusa and Roger Timmer ..... August 82
Pollution Prevention and Control Technology for Plating Operations ..... September 62
Acid Recycling at a Captive Finishing Shop, by Donald Offinger and Daniel E. Bailey ..... December 62

POWDER COATING

Infrared System Cures Powder Coatings Fast ..... January 79
Coat It Now, Form It Later, by Peter Gribble and Ron Farrell ..... February 56
Evaluating Powder Coatings, by Daryl P. Spindler ..... February 86
Powder Coating at Sioux City's Soo ..... March 48
So Much Finishing in So Little Space ..... March 68
Powder Coating Hub Caps ..... April 104
Reabling the Disabled, by G. Thomas Robison ..... May 48
First U.S. Blank-Coating Line Off and Running, by Joe Schrantz ..... September 66
Powder Coating Line Spurs Growth for Plater, by Beverly Graves ..... December 56

1994 Article Index . . .

QUALITY CONTROL/PROCESS CONTROL

Process Control for Phosphate Coating, by Joseph T. Menke ..... January 56
Improving Product Design and Performance Through Testing, by Michael Akkaoui ..... February 48
What to Consider When Implementing Process Control, by Jim Barnard ..... March 62
How To Make a Quality Program Take Root, by David Sugg ..... July 58
Managing Finishing at Lockheed, by Mitchell B. Taylor ..... July 66
Quality Improvement at Consolidated Diesel ..... July 74
Conveyorized Finishing at Boeing, by Christopher Daniels ..... November 42
Power-and-Free Sorts It All Out for Grumman ..... November 48
Snazzy New Finishing Line ..... November 54
Monster Rack Line ..... November 62
Key to High Quality ..... November 70
Testing Organic Finishes ..... November 76

RECOVERY/RECYCLING/POLLUTION PREVENTION

Sludge Dewatering Roundup ..... March 82
Is Solvent Recovery Right for You?, by M. John Ruhl ..... May 60
Pollution Prevention and Control Technology for Plating Operations ..... September 62
Acid Recycling at a Captive Finishing Shop, by Donald Offinger and Daniel E. Bailey ..... December 62

SOLID WASTES

Sludge Dewatering Roundup ..... March 82

THICKNESS MEASUREMENT

Improving Product Design and Performance Through Testing, by Michael Akkaoui ..... February 48
Non-Destructive Hand-Held Thickness Gage ..... July 96
Key to High Quality ..... November 70

VACUUM COATING

EMI/RFI Shielding Applied in a Vacuum ..... October 88

VIBRATORY FINISHING

Vibratory Finishing Equipment Showcase ..... August 76

WATER-BORNE COATINGS

Autodeposition and Ion Exchange ..... April 58
Water-Borne Topcoat for Heavy Builds. ..... June 136
Slicing the VOCs ..... December 74
